Dedicated to delivering a first class client service

Shah and Co was established in 1985, we continue to build on our enviable reputation for providing excellent advice and first class service to our business and personal clients alike. We have many clients in the local community and service businesses, small and large including:

- engineering
- doctors
- dentists
- care homes
- the service sector
- the construction industry
- manufacturers
- retailers
- hospitality, hotels pubs, clubs and restaurants
- contractors in the automotive and IT industry
- charities & not for profit sector

As well as general accountancy, audit and tax skills, all our partners also have individual specialist skills which enables us to provide clients with a first class service as and when required. With our wealth of experience we pride ourselves on delivering an unparalleled service to all clients, what ever their size or sector.

In addition to traditional auditing, accounting and tax services we also provide advice on how to improve and develop your business. Whether you need an integrated business strategy, access to corporate finance or specialist tax advice we are here to help you achieve your goals.
